

NCTS-TYPE C TO HDMI 8 IN 1 A

HDMI COMPATIBLE COMPACT SIZE USB C DOCK ETHERNET

NCTS-TYPE C TO HDMI 8 IN 1 A

Description:

Our USB C Hub Multiport Adapter has 8 ports, and it can meet your different needs and is suitable for your daily business life. Plug and play, compatible with C-type laptops.

-8in1- Multiport USB-C Hub: Type c hub expands a single Type-C of PC/laptop/mobile phone to 8 ports, including 4K@30HZ H D M I, 87W PD charging and Type C 3.1 data transmission, 1 USB3.0 port, 1 USB 2.0 port, fast RJ45- Ethernet, SD card reader, suitable for your daily business life.

4K H D M I Adapter: This USB adapter allows you to mirror or extend the screen to an HDTV, or projector with a resolution of up to 4K UHD (3840 x 30 @2160Hz) through the HDMI output port, providing you with vivid 3D effect video synchronization.

Fast Power Supply: This multi-port USB C adapter provides a Type-C PD port with 87W high-speed charging. You can safely charge your connected laptop or other compatible Type-C laptops, and also charge the hard drive and other devices to provide additional power while connected to the port device.

High-speed 5Gbps USB 3.0: The USB C hub enables you to connect hard drives, printers, mice, keyboards, and more USB devices to your laptop and up to 5Gbps of data. Backward compatible with USB 2.0 devices.

Fast Ethernet Adapter/Plug and Play: This USB Ethernet Adapter can provide a more reliable network connection than a WIFI connection, ensuring your work efficiency. Plug and play, compatible with C-type laptops.
